

Triathlon in Immenstadt - Allgäu Classic-Triathlon on Saturday, 31st of July and the ITU World Championships long distance on Sunday, 1st of August. For information about the events please contact Sport Altenried in Immenstadt.

Do you want to ride the original tracks in advance and are looking for accommodation? The Reuterhof is situated between Immenstadt and Oberstaufen above the western end of the Alpsee. You can reach the Alpsee within five minutes by bike (western part); the distance to the starting area in Bühl is about four kilometers.

The Reuterhof is conceived like a kind of hostel. You can choose between rooms with separate bath on the same floor, rooms with own baths or apartments with small kitchen and bath. The guests who choose the „normal“ rooms can use our big fully equipped kitchen and the rooms downstairs to have their meals or just sit down and relax. So you are free to have the food you like. Your body gets what it's used to. (Exception: beverages - beer, soft drinks, water etc. - must be bought from us, we've got a contract.) So there will be fun while your training on the original tracks as well as while doing the cooking with your colleagues.

If you want to stay at our house with some friends we can serve breakfast and/ or dinner (for groups 11 people and more). We use ingredients from our region and everything is freshly prepared for you.

After the training you can relax, enjoy the silence on our terrace and let flow your thoughts. Nothing will distract you – we don't have TV or radio. Best conditions to relax your mind. To relax your body a physio-/ massage therapist is located close to our place.

We look forward to meet you at the Reuterhof!
Manfred Wagenseil and Isabell Maurer

REUTERHOF
Urlaub zwischen See und Berg
